Super Storm Sandy Projects:

Public Works Building Reconstruction

The Reconstruction of the Public Works Building includes new carpeting, electrical wiring and receptacles, low voltage wiring, insulation, sheet rock, trim, flood doors, painting, HVAC units, and hot water heater. Mitigation of the Public Works Building involves the installation of three (3) propane heaters, flood-proofing the building, and elevating the two (2) furnaces, condensation pumps, hot water heater, and HVAC system. The project is currently 99% complete. Currently planning the office space reconfiguration to include record retention.

Seaside Park Marina Reconstruction

The project consists of reconstruction of the Seaside Park Marina. The Marina was flooded with up to 48 inches of bay water in addition to the wave action driven by strong south winds. Reconstruction includes repair of damaged piles, joists, decking, potable water hook-ups, electrical hook-ups and power distribution panel breakers, underground. The project is currently 99% complete.

Boardwalk Reconstruction

The project consists of the reconstruction of the ocean-front Boardwalk. The reconstruction includes removing the damaged sections of boardwalk decking, joints, girders, and railing. Once the damaged boardwalk items are removed a new support system will replace the damaged portions and new boardwalk decking will be installed. The railing system will be replaced in the areas that sustained damage. In addition the equipment loading ramp and handicap ramps from the street to the boardwalk and the boardwalk to the beach are to be reconstructed, where they were damaged. The project is currently 95% complete.

Well No. 8 Electrical System Repairs

The project consists of the necessary repairs to the electrical accessories that were submerged in salt water and a new generator and transformer. Mitigation of Well No. 8 Building involves flood-proofing the building and elevating the step-down transformer. The project is currently 95% complete.

Well No. 10 Electrical System Repairs

The project consists of the necessary repairs to the electrical accessories that were submerged in salt water and a new generator and transformer. Mitigation at the Well No. 10 Building involves flood-proofing the building and elevating the step-down transformer. The project is currently 85% complete.

Reconstruction of the Oceanfront Sand Dunes

Reconstruction of the Oceanfront Sand Dunes consists of placing snow fence and planting dune grass to minimize erosion and to allow the natural replenishment of the sand dunes. The project is currently 75% complete.

Reconstruction of the Seaside Park Bathhouse

The reconstruction is to include sand and debris removal from the interior of the bathhouse. Once that is completed the bathhouse will be power washed and have new sanitary lines. Garage doors, roof fascia, electrical wiring and receptacles, windows, hot water heater installed, service counters built, and water closets replaced or repaired, as well as stucco repair on the exterior of the building. A Structural Engineer shall certify the buildings stability. The project is currently 70% complete.

Reconstruction of Public Parks

The O Street Park consists of replacing certified playground mulch, decking, and the protective linking on the fence. The playground equipment needs to be reset. The 5th Avenue Park consists of replacing certified playground mulch and repairing damaged decking. The project is currently 90% complete.

Reconstruction of Roads and Sidewalks

Reconstruction and repair of damaged roads, curbing, sidewalks, parking lots, and any other associated roadways appurtenances in Seaside Park. The project is currently 50% complete.

Reconstruction of Administration Building

The project consists of reconstruction of the Administration Buildings in Seaside Park. The reconstruction will consist of replacement of the roofing system on the Borough Hall, Borough Hall Garage, and J-Street Water Treatment Plant. The project is 100% complete.

Furnish and Install Solar Powered Multi-Space Parking Meters

Project consists of the Replacement of regular parking meters with new Parking Meter Kiosks in Parking Lots. Seven Kiosk stations were installed. The project is 100% completed.

Reconstruction of the Lifeguard Station

The project consists of a temporary replacement of the Seaside Park Lifeguard Station. The project is 100% complete.

Super Storm Sandy Rapid Infrastructure Assessments

We developed a team and oversaw the operation of performing storm damage assessments for the Borough of Seaside Park. The Borough has oceanfront and bay-front communities that were significantly damaged during the storm. Our team performed a full assessment of infrastructure, buildings and facilities, dwellings, and shoreline facilities including the beach, the boardwalk, parks, bulkheads, and marina and piers. The project is 100% complete.

Water Meter Removal & Replacement

Following the storm, water meters were removed from the entire Borough of Seaside Park Properties. About 90% of the meters have now been reinstalled.

Substantial Damage Assessments

Using the FEMA Hazardous program, substantial damage assessments of residential properties in the Borough of Seaside Park were performed resulting in over 75 substantial damage letters being produced from the outcome of the assessments. The assessments are 100% complete.

Hazardous Mitigation Grant Program

We submitted a letter of intent for different projects under the hazardous mitigation grant program. The projects would mitigate different facilities against future storms. The applications are currently at the state, pending approval.

Reconstruction of 14th Avenue Pier

This project would included the full reconstruction of the pier. The design was complete and awarded in April. On July 31st we received a letter from the contractor that informed us that they could not complete the job as proposed and requested the contract to be terminated. The project will be re-advertised during the month of August.

Clerk's Office

Borough Clerk: Karen Barna

Office Location: 1701 N. Ocean Ave.

Office Hours: Monday—Friday 8am-4pm

Phone # 732-793-3700

Email: clerk@seasideparknj.org

This time of the year, the Council is busy finalizing our summer and end of year activities and events. If you plan to hold an event in town, please remember to fill out a form to use Borough property. This form can be found on the Borough's website www.seasideparknj.org

A Special Primary Election to fill the unexpired term for the office of United States Senate as a result of the passing of Senator Frank Lautenberg will be held on Tuesday, August 13th. Polls will be open from 6 am until 8 pm. The Special General Election to fill the unexpired term for the U.S. Senate is Wednesday, October 16th. The General Election is scheduled for Tuesday, November 5th. Please remember to exercise your right to vote in the upcoming elections.

The Borough's annual rabies clinic is scheduled for Tuesday, November 19th from 6 to 7 pm at the Seaside Park firehouse located at Sixth and Central Avenues.

My office can supply you with information regarding voter registration, applications and licensing: such as raffles, marriage licenses, dog registration, etc.

Please continue to check the Borough's website at www.seasideparknj.org as we periodically update and post news and events.

Finance Office

Chief Finance Officer: Eugenia Bermudez

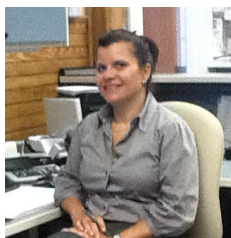

Purchasing Assistant—Michelle Butow

Office Location: 1701 N. Ocean Avenue

Office Hours: Monday– Friday 8am-4pm

Phone # 732-793-3700 ext. 102

Email: finance@seasideparknj.org

The Borough of Seaside Park adopted the budget on June 23, 2013 for the calendar year 2013. The final Tax rate is 1.253, a slight decrease from last

year, 1.254. The Municipal tax rate is presently at 0.425, from 0.429 in 2012; this represents the fourth year with no municipal tax increase. The final Tax Rate reflects the inclusion of funds from FEMA through the Community Disaster Loan Program, geared to help those communities with projected losses in revenue due to Hurricane Sandy.

Moody's Investors Services, which provides credit ratings and research, has been keeping a close look at all the municipalities affected by Super storm Sandy. Moody's has advised the Borough of Seaside Park that we are one of the few communities to maintain

the same rating as pre-Sandy, which is A1. Back in August of 2008, Moody's assigned A3 rating to the Borough of Seaside Park, since then, they have upgraded us to A1 rating.

The Annual Audit for the calendar year ending 12/31/2012 has been performed and finalized by Fallon & Larsen LLP. The Borough of Seaside Park received a clean audit, in addition, the audit showed that all the financial statement disclosures were neutral, consistent, and clear.

Our Finance Office continues to work with FEMA in regards to the claims related to Hurricane Sandy.

Marina

Marina Coordinator: John Kleva
 Located: Marina Operations-J Street
 Phone #848-992-6085
 Marina Collections
 Located: 1701 N Ocean Avenue
 Phone # 732-793-3700
 Hours: Wednesday—Friday 8am-4 pm

The spring of 2013 brought a huge challenge to the staff and volunteers of the Seaside Park Marina. As with all the other municipal departments, Super Storm Sandy left us with a major rebuilding effort. In addition to the regu-

lar seasonal preparations we had many storm related tasks to complete before the marina could be open for business. The yard was filled with debris and damaged boats, the south dock looked more like a roller coaster than a place to moor boats, all of the electrical power pedestals had to be replaced because of being submerged, the office and bathrooms sustained severe damage, and the marina vehicle was soaked in over 30 inches of water.

With the help of the municipal engineer and competent contractors we have been able to recover to about ninety percent of our normal status for this time of year. Unfortunately, we lost many of our good friends because of lost or damaged vessels or the added expense of having to repair their homes. We have also gained many new friends who lost their place to dock their boats because of the marinas that will not be open this season

due to damage.

The marina still has slips available for boats up to 25 feet in length, so if you have been considering using our marina this would be a good time to join us. Please contact the Borough Hall and request a Boat Slip Rental Application.

I would personally like to thank the regular marina patrons for being so patient while we were in the process of rebuilding. I know the inconveniences were trying at times but be assured that we made every effort to get things back to normal as quickly as possible. By next season we will be in better condition than we ever were and the season of 2013 will be just a mem-

Tax Assessor

Dennis Raftery, Tax Assessor
 Located: 1701 N Ocean Ave
 Phone #732-793-3700 Ext. 107

The Tax Assessor office hours are as follows:
 Every Thursday now thru October 24th: 9am to 12pm
 October 29th, Tuesday: 9am to 12pm

Municipal Court

Court Administrator: Kathy Smith
 Located: 6th and Central Avenue
 Hours: Mon—Fri 8am— 4 pm
 Phone #732-793-5116
 Email for payments:
 www.njmcdirect.com
 Seaside park court code-1527
 Prefix is the letter on your summons

The Municipal Court is currently underway with their busy season. This shall serve as a reminder that meters are enforced 24 hours daily through September 15th. After that we will switch to our off season enforcement scheduling hours. Court sessions are generally held the 1st or 3rd Thursdays of the month commencing at 9 AM. Please enjoy your time with us and have a safe and wonderful summer.

Parking Meters

Parking Meter Department: Jeff Cordaro

For emergencies regarding Parking Meters please contact the Police Department .

This spring we installed seven new pay stations. They start at the entrance of Lot 3 and continue along Ocean Avenue south to C Street.

Remember, to add time to your parking space ticket, enter your receipt number (not the space

number) and follow the directions.

Police Department

Chief Murphy Larkin
Located : 6th & Central Avenue
Hours:24 hours a day

Records: Mon- Fri: 8am-4pm
Phone # 732-793-7737 Ext #248

Greetings,

During the aftermath of Super Storm Sandy, the officers of the Seaside Park Police Department were met with so many kind acts

and words from residents that there is no way on earth for me to give the proper thank you to each and every person for what they said and did during that time. The kind words and acts were motivational and inspiring to the officers who were working days on end to ascertain that public safety and preservation of property was paramount and not jeopardized. The outpouring of generosity during this time of extreme circumstance will not be soon forgotten by myself nor by the members of this Police Department.

Despite the personal losses and hardships residents have endured from the storm, many found time to help other residents or town employees fulfill their needs in an unselfish manner to benefit the good of the community. The residents of Seaside Park should be proud of themselves for the grace and dignity they dis-

played while facing the devastating effects of the storm. Towns like Seaside Park don't just happen by accident, they are built over the years with pride, spirit and a very strong sense of community value.

On behalf of the Seaside Park Police Department I want to thank all residents, friends and visitors of Seaside Park for their magnanimous support during those unprecedented days last fall.

Hope everyone is recovering or at least adjusting well. It has been a long hard road for Seaside Park. Thanks again!!

Public Works Department

Public Works: Eric Wojciechowski
Water Superintendent: Joe Walker
Located: 1201 Barnegat Avenue
Hours: Mon– Fri 7:00– 3:30
Phone #732-793-5100

The Department of Public Works has been working very hard this summer to return Seaside Park back to normal after Hurricane Sandy. For more information please call 732-793-5100.

Images of Seaside Park after Super Storm Sandy

Recreation

Recreation: Kirby Costello

Information located at 1701 N Ocean Avenue

Phone# 732-793-3700 ext.105

This Summer has been a busy one for the Seaside Park Recreation Department. Our Thursday Zumba classes at the Elementary School and Tuesday and Friday Yoga classes on 2nd Avenue beach have been running smoothly. The Farmers Market, is held every Monday and Friday from 10:30 AM – 5:00 PM on the Marina Lawn, has been a success with about a dozen different vendors selling everything from fruits and vegetables to baked goods to gluten free and raw products. Check out the Market's Facebook page at www.facebook.com/seasideparkfarmersmarket for more specific information on our many wonderful vendors! Also, please be aware that after Labor Day our market will be switching from Monday and Friday to every Sunday from 10:00 AM- 4:00 PM. Be sure to look for our Antique Show, Arts & Crafts Show, and Children's Fishing & Crab-

bing Tournament in the upcoming weeks. The Antique Show will be held on Sunday, September 1st from 9:00 AM- 4:00 PM on our Marina Lawn and the Arts & Craft show will be held on Saturday, August 31st from 10:00AM- 4:00PM at the Boro Lawn on 6th and Central Avenues. Our Children's Fishing & Crabbing Tournament was held on Wednesday, August 7th from 9:00AM- 11:00AM at the 5th Ave Pier. The Tournament was a huge success.

While our annual Summer Camp unfortunately had to be canceled this year, our Junior Lifeguard program and children's swimming lessons were an exciting event for all participants. Please check back next year for the Summer Camp! This summer will be the first-ever Seaside Park Blue Claws outing. Anyone interested in attending the 7:05 PM game on August 9th can purchase tickets from the Recreation Department. For just \$10 you will get a ticket to the game, a 90-minute all-you-can-eat buffet and a bus ride to and from the game. In addition to this event, the Recreation Department is sponsoring free Summer Concerts every Wednesday from July 3rd – August 28th at 7:00PM in Lot 2 next to the boardwalk. We have brought in 7 great bands from

all over New Jersey to play at the concerts and have blow-up amusements and other rides set up for the children to enjoy.

We hope that this summer has been a wonderful for all of the residents and visitors of Seaside Park. Please do not hesitate to contact the Recreation Department at 732-793-3700 x 105 with any questions!

Tax Collector

Tax Collector: Ann L Rice, CTC

Office Location: 1701 N Ocean Ave

Hours: Mon - Fri 8:00am to 4:00pm

Phone #: 732-793-3700 Ext. #103

Fax # 732-793-3737

E-Mail: taxcollector@seasideparknj.org

The 2013/2014 Tax Bills are the color green. Tax Bills are sent out once a year with 4 payment stubs attached and the amount and date due on each stub. This is the only bill sent. There is a fee of \$5.00 for a copy of the 2013/2014 Tax Bill. Copies of previous years tax bills are not available.

When paying each quarter please send the proper stub with your payment and write your Block & Lot number on your check. If you would like to receive a receipt for your payment, you must include a **self addressed stamped envelope with your payment.**

Please do not post date your checks, we must deposit all checks within 48 hours as per state statute. Post dated checks will be returned. We can not hold your checks!

The grace period for the 2013 3rd Quarter, which is due August 1, 2013, has been extended to September 6, 2013. Payments must be received on or before September 6, 2013. Interest will be calculated back to August 1, 2013 on payments received after September 6, 2013.

Water & Sewer Collections

Water & Sewer Collector: Ann L Rice, CTC

Deputy Water & Sewer Collector: Antoinette Shadiack (pictured below)

Office Location: 1701 N Ocean Ave

Office hours: Monday thru Friday 8:00am to 4:00pm

Phone #732-793-3700 Fax #732-793-3737

E-Mail: taxcollector@seasideparknj.org

The minimum rate per quarter is \$225.00 per unit. The excess rate for usage over the quarterly allowance of 18000 gallons per unit, is \$14.05 per thousand gallons.

The 3rd Quarter Water & Sewer Bills will be mailed on September 1, 2013 with a due date of October 1, 2013 and a ten (10) day grace period. Your payment must be in our office by October 10th. (Post marks don't count, as per State Statute)

Please remember to return the proper stub with your payment and write your account number on your check.

The proper stub is located at the bottom part your Water & Sewer Bill.

To have your water turned on or off for the season call #732-793-3700 for an appointment.

Please do not post date your checks, we must deposit all checks within 48 hours as per state statute. Post dated checks will be returned. We can not hold your check!

Water & Sewer Department

Water & Sewer superintendent: Joe Walker

Located: 1201 Barnegat Avenue

Hours: Mon- Fri 7:00am- 3:30pm

Phone #732-793-5100

Repairs continue on Well #8 and Well #10.

Following the storm, water meters were removed from the entire Borough of Seaside Park Properties. About 90% of the meters have now been reinstalled.

Meters will be read on or about August 15th.

In September the NJDOT will begin Route 35 water & sewer improvements to the roadway.

In October, we will be flushing hydrants during the daylight hours. Flushing the water mains allows us to test the hydrants and it also improves water quality.

Seaside Park Environmental Committee

The Environmental Committee held its first meeting of the year following the storm in March 2013. Due do the substantial impact of the storm, the committee quickly refocused its efforts on coming up with a plan to help residents and businesses during the rebuilding and restoration period. To that end the Committee developed a speaker series that began with our own Borough Employees addressing the steps they took to get us back home and outlined their long term restoration plans. This was followed with presentations on garden and landscape issues, mold clean up, water safety, home elevation and culminating in September with a presentation by the Save Barnegat Bay organization.

The Committee is continuing its efforts to become a Sustainable New Jersey municipality, and will look forward to the Green Day Fair as well as other educational events in 2014.

Beach Patrol/Lifeguards

Mike Veracierta, Captain

Stockton & Boardwalk

732-830-2100

The Seaside Park Beach Patrol has had a very busy summer. The children's swimming lessons at the 5th Avenue Bay beach were a success. The Junior Lifeguard and Surfing program is still occurring every Wednesday morning on the Brighton Avenue beach. We are lucky to have almost 50 participants in this year's program! The Seaside Park lifeguards are also proud to have won first place in this year's Lifeguard competition. Anyone interested in becoming a lifeguard for next summer is welcome to submit their application to have on file.

Our Seaside Park Lifeguard Captain Joe Gomulka retired from his position on July 31st in order to devote more time to his job as Athletic Director at Monsignor Donovan High School. Joe has served as lifeguard captain for the past 27 years and worked in Seaside Heights for 10 years prior to that. We are very grateful of Joe's dedication to the Borough and will miss seeing him run around the beach making sure that everything was running smoothly. He has been a great employee for the town, and an incredible friend to all. Thank you for your service, Joe. Remember, you're always welcome in Seaside Park!

While we are sad to see Joe leave, we are very excited to welcome our new Lifeguard Captain, Mike Veracierta. Mike has been a lifeguard in Seaside Park for the past 28 years and we are very happy to have him as our new Captain. We look forward to working with him even more closely than in the past, and are very thankful for his willingness to take on this new role.

Beach Control

Located at: N Street & Boardwalk

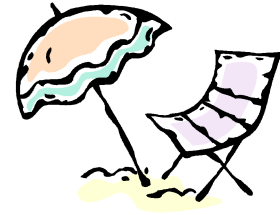

Managers of Seaside Park Beach Control are Lisa Duffy-Stutski, Gina Tumolo and Terri Reynolds.

Our beach hours are Monday through Friday 10am-5pm. Saturday, Sunday and Holidays 10am-6pm. Badges are sold at various beach entrance locations along our boardwalk. Children 11 and under are free. Beach badges, Daily boat ramp and seasonal boat ramp passes can be purchased at our 14th Avenue Bay location from 6am-3pm. Our 5th Avenue Bay Beach also

sells badges for the bay beach use, also needed for fishing and Crabbing off the 5th Avenue pier. These hours are 10am-3pm. Badges may also be purchased outside the Police Station 10am-3pm.

Badges must be prominently displayed on the person for entry to our beaches, 7 days a week. There are two red bagged parking meters conveniently located at the corner of the bathhouse on Ocean Avenue for 15 minute increments to purchase beach badges at the bathhouse window. We hope you have

a wonderful, relaxing summer on our beaches here in Seaside Park.

Seaside Park Volunteer Fire Dept.

Greetings!

October is Fire Prevention Month.

Please remember, it is very important that each level of your home should have a Carbon Monoxide and Smoke Detector. Change your batteries, when we change back to standard time in early November. Smoke detectors have a life span of approximately five to seven years. After this time, they should be replaced.

Be certain your home address numbers are visible from the street. This is important so emergency vehicles can find your home quickly.

Thank you for all your support in helping us with our fund raising campaign.

Seaside Park Beautification Committee

In early spring the Committee successfully completed the replacement of the tree in front of the Police Station that was knocked down as a result of the storm. The Committee chose to put up 2 trees. They were formally dedicated to Major George Pollin and Sergeant Michael Lyons at the Borough's Memorial Day Service.

Currently, we are accepting brick order forms for our 4th order that we hope to have placed sometime in the fall. We can only place the order once we reach a count of 50, so the installation date may not occur until Spring 2014.

The Committee, also has partnered with the Design Studio at Kean University who designed Seaside Park Strong Summer 2013 T-shirts to aid in our recovery from the storm. The shirts are \$15.00 and all funds go directly back into our community. They can be purchased at the 3C's Luncheonette and Stefanik Realtors.

For further information please visit our website at: www.seasideparkbeautification.com.

Zoning, Code & Construction

Located at: 1201 Barnegat Ave

Hours: Monday-Friday, 8am-4pm

Carol Wroblewski, TACO

Storm Sandy is long gone, but still very fresh in our memories. Everyday someone in

our small community is faced with decisions caused by the storm. Our office has relocated to the elementary school on 4th and Central Avenues. Please obtain access on the 4th Avenue side door. Our phone Number is 732-793-5100. As a result of the storm several key elements in the Code Office have been revised, namely, our new location on 4th and Central, and the formation of our own Uniform Construction Office lead by Robert Nora, the Construction Official. We no longer have shared services with Berkeley Township. Another change was providing a Flood Plain Manager, who is Felipe S. Contreras, PE with Remington Vernick and Vena at 732-286-9220; he will answer all elevation questions concerning the FEMA flood maps.

Jim Anderson, Zoning Officer, can answer zoning issues and questions. He is available Tuesday and Thursday from 7:00AM-2:30PM and also on Fridays from 7:00AM-1:00PM. Code Enforcement also works out of the new location. Elaine Broyles is our Code Enforcement Officer. Elaine will be available Monday, Tuesday, Thursday and Fridays from 8:00AM-4:00PM.

Rental, mercantile, sidewalk, driveway, curb replacement, garbage sales, 4x4 beach permits, title transfers, and bulk trash permits are obtainable from this office. The Construction Permit paper work is also available, such as building, plumbing, electrical, fire and zoning permits. A Zoning Permit is required for every Construction Permit and in most cases surveys are required.

Did you know?

- Watermelon is actually a vegetable, not a fruit! It is most closely related to cucumbers, pumpkins and squash. The watermelon is composed of 92% water. Early explorers often used hollowed out watermelons as canteens.
- The Popsicle was invented by accident by an 11-year-old boy named Frank Epperson in 1905. He accidentally left a mixture of powdered soda and water, with a stirring stick, on his porch, and awoke the next morning to find a frozen pop! Cherry flavored popsicles are the number one favorite flavor.
- A cricket's chirp frequency fluctuates with temperature. What does this mean? You can tell the temperature (in Fahrenheit) by counting the number of times a cricket chirps in 15 seconds. Just add 37 to whatever number you reach and BAM you have an approximate outside temp!
- The average American eats around 5 1/2 gallons of ice cream a year. July is the National Ice Cream month because it is the month the most ice cream is sold.

Tri-Boro First Aid Squad

James Dolci, President

Marie Rice, Captain

Location: 61 J Street

Phone #732-830-3236

Emergencies Call: 911

As we all continue to recover from Super Storm sandy, Tri-Boro would like to thank everyone who helped by donating food and supplies, and everyone who donated their time and support in the aftermath of Super Storm Sandy.

The **36TH Annual M Larsen Calm Bake** was a huge success! Our biggest yet! We were sold out by mid June. Thanks to all who attended and/or donated. We appreciate all your support. A special thanks to Ryan’s Deli & Catering for another great dinner.

2013 Events:

Bingo is held every Friday until the end of September. Doors open at 6pm and the games begin at 7:30pm. Good food is sold from 6pm to 9pm.

The **Summer in the Park Fish Fry and BBQ** will be held on August 11th, 5pm to 8pm. This event

benefits the Volunteer Seaside Park Fire Dept. and Tri-Boro First Aid Squad. There will be a live band and a small gift auction and 50/50.

The annual **Christmas Gift Shop, Bake Sale and Poinsettia Sale** will be held on Saturday, December 7th from 9am to 2pm. Santa will be in attendance. Soup, Hot Dogs and more will be available for purchase.

Please stay safe and enjoy the rest of the summer season *and thank you again for your continued support.*

Two beautiful paintings were donated to the Borough of Seaside Park from Amy Cruz's art class at the RJ Reynolds High School in Winston-Salem, North Carolina. After Hurricane Sandy, the class wanted to offer their support to those affected by the storm. They shipped paintings to individuals and communities connected to the devastation caused by Sandy. Specifically, the paintings of Funtown Pier donated to the Borough were made by Katie-Gray Altmann. We are very thankful for the generosity and support from these talented students.

Stronger than the Storm Events:

Seaside Park has had an exciting summer hosting several Stronger than the Storm events in our town. On Sunday July 21st, otherwise known as National Tug of War Day, they held a Stronger than the Storm Tug of War Event on the Stockton Avenue beach. The event was a huge success, drawing crowds of over 1,000 people. Teams from all over New Jersey participated in the event, entering into categories ranging from “heavyweight” to “co-ed” to “family.” The event was fun for everyone involved!

STTS will also be hosting a Kite Flying & Sand Castle Building event on Stockton Avenue on Saturday August 10th at 9:00 AM. They will be bringing in professional sand sculptors to provide demonstrations and equipment for kite flying.

We hope that everyone is able to come out and enjoy these STTS events!

Funtown Peers: Friends of Seaside Park, Inc.

Grant Disbursement

Funtown Peers: Friends of Seaside Park has been distributing the Robin Hood Foundation grant award since early March. As of July, 22, 2013 the Foundation has distributed over \$130,000 to primary residents and local businesses. As of July 31, 2013 the Foundation has distributed all funding allocated to the businesses of Seaside Park. Business applications will no longer be accepted for review. The foundation is nearing the deadline for grant distribution and is still in the process of awarding the monies we have left for individuals. If you are a primary resident who has not yet filled out an application, please do so before September 1, 2013. An application can be obtained by visiting www.ssp2013.com . If you have any questions regarding the application please do not hesitate to contact Denise Koury at runnerkoury@aol.com.
