

Construction of upgrades and improvements to Parking Lots 1, 2 & 3 Reconstruction in the Borough of Seaside Park in the amount of \$2,677,513.13 were financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (NJIB) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the NJIB to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide the reconstruction of Parking Lots 1, 2 and 3 and implementation of stormwater management measures in these area for residents and businesses in Seaside Park.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
