

RECLAM THE BAY PRESENTATION – May 15, 2024

An extremely informative presentation was given by Cheryl MCCurry from Reclam the Bay. She was accompanied by three other volunteers with the organization. They were: John Meiman, Paul Jeffries, and Deb

Licoto-Meiman. This presentation included hands-on materials. video , and much enlightening verbal information. The presentation focused on the shell fish in the Bay, their mating habits, and their predators and the purpose of RECLAM the BAY. Some history of the life of shellfish in the Bay was also included.

The presentation was well attended by 35 citizens (including several Town Council Members) plus 6 Committee members. There was active questioning and interest expressed by members of the audience. Audience members were invited to visit Cheryl and her group at the RECLAM site on 24th Ave. and the Bay on Mondays at Noon, and Thursdays at Sunset when they clean and maintain the tanks and upwellers. All were encouraged to consider becoming volunteers with ReClam the Bay as well.,
