NOTICE OF TRANSMISSION LINE CONSTRUCTION
X50 Submarine Cable Replacement Project

Dear Visitors,

Jersey Central Power & Light, a FirstEnergy company, would like to update you on its existing Infrastructure Upgrade X50 Submarine Cable Replacement Project.

The project is part of FirstEnergy's "Energizing the Future" transmission line initiative aimed at enhancing electric service reliability.

Construction activities will begin around October 15, 2024, and this work will temporarily impact the parking area near 13th Avenue.

This work is expected to occur between November 1, 2024, - December 15, 2024. During construction, signs will be placed in the area.

We do not anticipate any disruption to your electric service as a result of this project.

We appreciate your cooperation with our agents and contractors in the field as they proceed with this work. No action is required from you at this time. If you have any comments, questions or concerns regarding the transmission line work, please contact our project team at:

(888) 311-4737
